CURRICULUM OVERVIEW

Autumn 2 - Reception Catkins Class

In reception we will be asking...

Where do stories come from and where do they go?

WRITING

Children will be doing lots of fine motor activities and they will also have separate handwriting lessons to learn the crucial skills of forming letters correctly. Children will plan stories and start to write captions.

MATHS

Children will make different arrangements of numbers within 5 and talk about what they can see, to develop their conceptual subitising skills. They will also compare sets of objects by matching and begin to develop the language of 'whole' and 'parts' when talking about objects and numbers.

LITERACY

Read Write Inc. Phonics

In phonics children will continue short sessions, teaching them single letter sounds. They will continue to 'Fred talk', but will also begin to read words. Please see our phonics page or ask the class teacher for more information. They will listen to stories and learn new vocabulary to use when telling their own stories through Tales Toolkit.

UNDERSTANDING THE WORLD

Children will be learning about past and present. They will be talking about transport and how people have travelled through the ages.
They will consider different people, cultures and Communities and learning about different families
They will explore cultural traditions and celebrations.

EXPRESSIVE ARTS

Reception children be exploring creating story-based artwork and props.
They will act out stories and characters and use music and movement to retell stories.
They will design puppets and role-play story characters.

RELIGIOUS EDUCATION (RE)

In RE, children will be learning about Nativity plays and celebrations around the world.

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

Our focus this half term will on feelings, children will explore what their feelings feel like and what they might look like to others. We will continue to explore the Zones of regulation with the children, developing strategies for our feelings.

PHYSICAL EDUCATION

In PE children will be developing their movement skills, exploring safely moving in different ways.
